

User Guide – The Bug

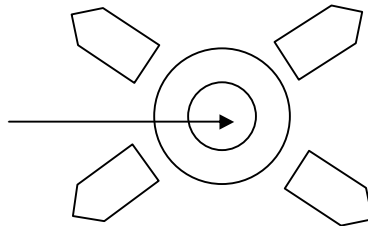

Turning on and tuning in

Turn on!

If the Bug is plugged in, the display should show the time.

If it's not, ask a member of staff to help you plug it in.

To **turn it on**, press the very middle of the **round button** until the Bug awakes up(its eyes will open!).

Make sure the aerial is UP!

Tune in!

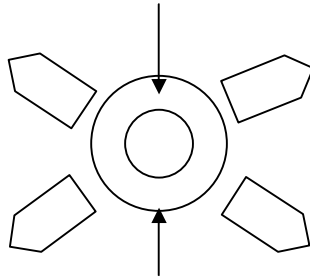

The Bug should be tuned to **BBC 7 – the Big Toe station!**

If it isn't, press the bottom of the **round button**.

The display will show you which station the Bug is on.

Press the bottom (or top) of the **round button** to scroll down (or up) through the stations.

When you find BBC 7, press the middle of the round button to select it.

If you need help - just ask a member of staff!

Listen up!

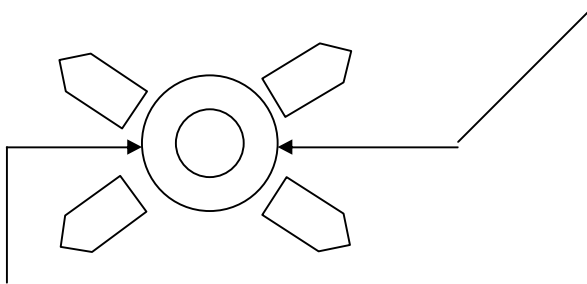

Headphones

A member of staff will give you a set of headphones. These plug in at the back of the Bug.

If you need help, ask!

Volume

To turn the volume **UP** press the **round button** on the right hand side

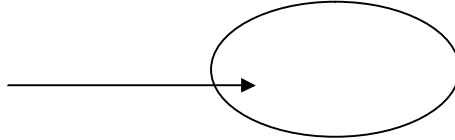

To turn the volume **DOWN** press the **round button** on the left hand side

Rewind Live Radio!

If you missed a bit of the show that you were listening to, or want to listen to some of it again, you can rewind the radio!

Hold down the **oval ReVu/Snooze button** (the bottom button) and count to 3. the display will show ~~rewind~~ and ~~forward~~

1, 2, 3!

Then press the bottom of the **round button** to rewind, until you get to the beginning of the part you want to hear.

The number at the top of the display tells you how many seconds behind the live broadcast you are.

To ~~catch up~~ again, press the **round button** on the right hand side, until the number reads 00:00.

What's on for me?
